

Job Opportunity, General Manager, NatSol Compost Toilets

Hours and remuneration negotiable depending on experience and circumstances.

NatSol Ltd is the UK's leading manufacturer of permanent accessible waterless toilets with close to 500 installations all around the UK. Based in Llanidloes, Mid Wales, NatSol was started in 2005. See natsol.co.uk for more information on the company and products.

During 2017 our general manager Chris Frost will retire. Chris has been with the business since its inception in 2005. We are looking for a replacement for Chris to take over the general running of the company and to help expand business.

The company is based in Llanidloes, a vibrant Mid Wales market town of population approx. 3000 with excellent facilities.
